

Ensuring cultural relevance

HK Hāpai is a private consultancy specialising in cultural competency and workforce and community development.

Consultancy

- Cultural competency
- Solutions for challenging issues
- Community development
- Workforce development

Workforce development

Since 2006, our consultants have specialised in providing strategic advice and workshops for professional development designed to give a full appreciation of cultural competency from an Aotearoa New Zealand perspective and the confidence to apply this knowledge in their field of practice. We facilitate workshops nationwide.
